Empathy Map :

Person Name : Rahul Kumar

Role / User Type: Borrower with Multiple Loans

SAYS

- "I have multiple loans and don't know which one to repay first."
- "I need a better settlement option to reduce my debt."
- "I wish there was one platform to manage all my financial information."

THINKS

- "Can I improve my financial health without defaulting on my loans?"
- "Will the bank accept my settlement request?"
- "I need reliable financial guidance before making repayment decisions."

DOES

- Tracks monthly income and expenses.
- Searches online for loan settlement advice and borrower rights.
- Uses financial tools to calculate debt ratio and monthly surplus.

FEELS

- Stressed due to increasing loan repayments.
- Worried about financial stability and recovery.
- Hopeful that AI-powered recommendations will help make better financial decisions.
