Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Difficulty coordinating team schedules for meetings.	Scheduled regular meetings in advance and used WhatsApp and Google Meet for remote communication.
2	Backend integration and deployment issues during development.	Used GitHub for version control, reviewed logs, and collaboratively resolved API and deployment errors.
3	Documentation updates were inconsistent across team members.	Assigned documentation responsibilities, maintained a shared document, and performed regular reviews before submission.
